

# FaR Out Scrip Program Info

All families can sign up for and can purchase Scrip, You're purchasing negotiable gift cards that are used just like cash. Scrip is issued by hundreds of national and local retailers where many of you already shop. These merchants want to support non-profit organizations, and in return ask you to support them by shopping with Scrip at their stores. Scrip members can use Scrip to purchase everyday expenses like food, clothing, gas, electronics and other essentials, and with every purchase, you earn revenue for your child's club account. You will receive 90% of the profit back into your child's Scrip account. The money in your child's account can be used for club fees, lessons, and program camps. If your child does not play, any money accrued will be given to the scholarship fund, or you may redesignate it to another player in the club.

*Raise Right* allows scrip-using families to place their orders online, anytime day or night. Your order must be placed by 9pm Sunday evenings in order to make the Wednesday cut off. All of you must sign up for Presto Pay... an automatic banking alternative to buying your SCRIP. There is a 15 cent fee. Instructions on the web site.

## Delivery:

Roxane will contact you via email when your Scrip is ready for pickup at SOMI. I can send your SCRIP orders home with your daughter if you feel that's the best delivery system! Remember, this is like cash... so be careful!. Other arrangements may possibly be made to help expedite the process such as sending it home with another player etc. To our Lansing families- we don't have a "delivery system" in place however during the holiday season, we will make sure to get those cards to you in Lansing but we encourage you to use the e-card features as well as the "Scrip Wallet".

I may also leave messages on the RaiseRight website indicating weeks that I may be gone and will not be placing orders.

## Great Feature! SCRIP WALLET!

Scrip wallet is a phone app that you put on your phone to download scrip to your smartphone or tablet. Many retail partners participate with this.

For example, walk into Old Navy, decide what your purchases are, and while waiting in line, you can "purchase" the amount of scrip you need, download it to your phone, then present it to the cashier for payment! It's that easy! Your presto pay account must be active and there is no additional charge for this service!

Check out [www.raiseright.com](http://www.raiseright.com) for all the details and you can call their very helpful customer service dept to help you with this!
